In the Matter of:

APPLICATION OF BLUE GRASS ENERGY	)	
COOPERATIVE CORPORATION FOR	)	CASE NO.
APPROVAL OF A GENERAL SERVICE	)	2012-00384
0-100 KW TIME OF DAY TARIFF	)	

ORDER

In its Application, filed August 27, 2012, Blue Grass Energy Cooperative Corporation ("Blue Grass Energy") made a tariff filing seeking Commission approval of a SC-2 General Service 0-100 kW Time of Day Rate. Blue Grass Energy states that its proposed Time of Day Rate will be completely voluntary.

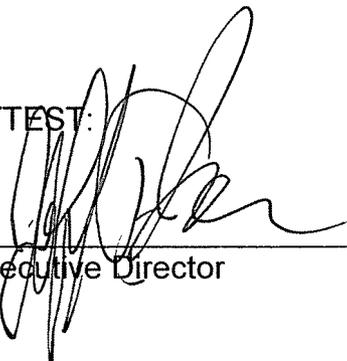

Blue Grass Energy's proposed tariff provides that it will become effective on October 1, 2012. Based on a review of Blue Grass Energy's proposed tariff, the Commission finds that an investigation of the proposed tariff is necessary to determine its reasonableness and that such investigation cannot be concluded prior to October 1, 2012. Consequently, pursuant to KRS 278.190(2), the Commission will suspend the effective date of the proposed tariff for five months from October 1, 2012, up to and including February 28, 2013.

IT IS THEREFORE ORDERED that Blue Grass Energy's proposed tariff is hereby suspended for five months from October 1, 2012, up to and including February 28, 2013.
